

Do they already have a logo or will I have to create one?

Try to add a logo here otherwise keep as text

Swim N Chill Webpage

This button will allow the change between light and dark modes

Ask what kind of services they do otherwise list out common pool services.

Swim N Chill

Home services areas contact

Home

Include a background picture of some sort maybe a pool.

Call to action

Try and find out what colors will be used for both light and dark otherwise pick some out

Services

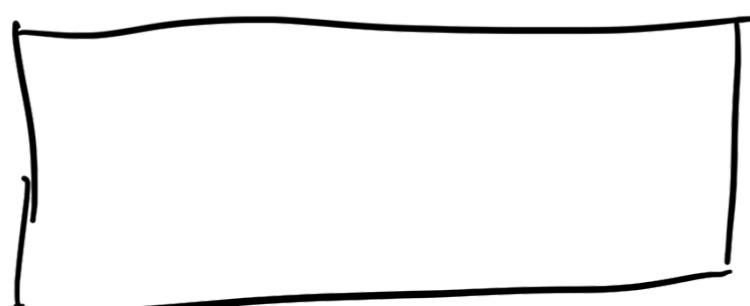

List of different services provided.

- _____
- _____
- _____
- _____

List out the different types of services here, possibly use the accordion

areas

Try to add a map with the areas of service.

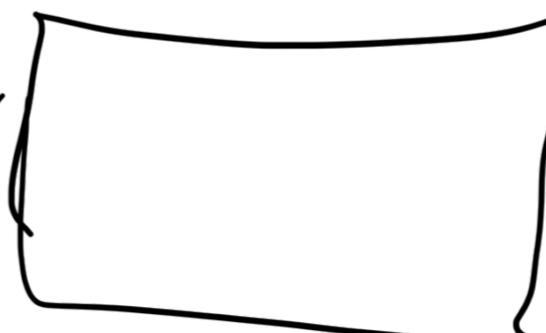

Where do they service? Should I just do east valley?

This contact form will allow visitors to enter their information and send to the company.

Message

Ask for some pictures that I can use or find some free pictures online

Have some pictures of the work that the company has done or some pools. Will also have buttons that will allow changing of pictures

Footer.

links

socials

Do they have social media or should I just do placeholders?

Include the logo again in the bottom and any social media links
